## Profile

**COPIER INTERNATIONAL TRADING (CIT)**, headquartered in Dubai, has emerged as one of the most premier wholesalers and distributors, leading the industry with the latest in photocopiers, printers, allied consumables and computer technology. Under the aegis of highly able and ethically sound leadership, CIT has enviably become the choicest partner to many globally renowned manufacturers and suppliers of the aforesaid products. Consistent innovation, focused vision, over thirty years of industry experience and 5000 plus SKUs from 50 global brands in stock, we have 1000 plus ardent customers from over thirty countries. With offices and temperature controlled logistic centers in Middle East, Africa and Asia, we are well poised to cater to a discerning customer base/ markets across South East Asia, GCC, Middle East, Africa and parts of CIS countries.

We are proud of our dynamic growth as a complete IT solution provider to diverse industries in various markets. To achieve this growth, we have capitalized on select opportunities including strategic partnerships, innovative expanding our product portfolio and broadening our geographical footprint. We are extremely customer oriented and boast of an unbureaucratic RMA processing system.

Apart from years of our cordial business partnership with KATUN and MURATEC, we stock, trade and export almost all the known brands in the IT world.
